Summary

My Optimum Pay is really the hub of the entire application. This is the initial page a user sees once they sign in and is the starting point for most of the tasks a user will ever want to do within Optimum Pay.

Information on My Optimum Pay

My Profile	A read-only display of your current Profile information. To change you can either click on Update Profile or click on the tab "Update Profile"
My Transactions Inbox and Outbox	<p>Inbox: All transactions that are incoming money sent to you. Transactions only stay in a users inbox if they are still pending or have not been completed for whatever reason.</p> <p>Outbox: All transactions that are outgoing, money that they are sending to someone else. Transactions only stay in a user's outbox if they are <i>Pending</i> or have not been completed for whatever reason.</p>
My Accounts Optimum Pay Accounts (Z-Accounts) Money Accounts (M-Accounts)	<p>Optimum Pay Accounts: All Optimum Pay accounts are within Zaius. Money kept within this account stays within Zaius. You can only send and receive from this account. A user can have as many OP accounts as they like. One default account is created when the user "Signs Up" for the first time with Optimum Pay. A user can rename these accounts with a friendlier name and add additional OP accounts as they get use to the system.</p> <p>Money Accounts: All accounts external to Zaius and specific to the user. This is typically a checking account or credit card account. A user must use these accounts to fund your Optimum Pay account. These accounts are used to withdrawal to from Optimum Pay accounts as well. These are basically personal accounts used by the user. You can have multiple accounts as well.</p>
